

# OUR AUDIOLOGY PROVIDERS

**Sarah Zak, Au.D.,  
CCC-A, FAAA**

Sarah Zak is a certified and licensed audiologist with expertise in pediatric and adolescent behavioral audiometry and electro-acoustic diagnostic testing, including Auditory Brainstem Response (ABR) testing and Otoacoustic Emission Testing (OAE). She has a particular interest in the evaluation of Central Auditory Processing Disorders (APD). She counsels and fits hearing aids and amplification devices, including assistive listening devices.

Sarah received her undergraduate degree in Pre-Professional Speech Pathology from Louisiana Tech University in Ruston, LA in 2000 and Masters of Communication Disorders degree from the LSU Health Sciences Center in New Orleans, LA in 2002.

She earned her Doctorate of Audiology Degree in 2009 from the Arizona School of Health Sciences, an affiliate of A.T. Still University.

Sarah is certified by the American Speech-Language-Hearing Association (ASHA) and is a fellow of the American Academy of Audiology (AAA). She has 15+ years of experience in clinical diagnostic audiology, with 10+ years specializing in pediatric audiology since becoming a member of our audiology team in 2007.

**Walter W. Ivey, III, Au.D.,  
CCC-A, FAAA**

Walter Ivey is a certified and licensed audiologist with expertise in pediatric and adolescent behavioral audiometry and electro-acoustic diagnostic testing including Otoacoustic Emission Testing (OAE). He has a particular personal interest in the evaluation of children with hearing loss.

Walter received his undergraduate degree in Speech Pathology and Audiology from the University of Florida, Gainesville in 1995 and Masters in Communication Sciences and Disorders, also from UF, Gainesville, in 1997. He earned his Doctorate of Audiology Degree in 2005 from Salus University.

Walter is certified by the American Speech-Language-Hearing Association (ASHA) and is a fellow of the American Academy of Audiology (AAA). He has 20+ years of experience in clinical diagnostic audiology. He has specialized in pediatric audiology since becoming a member of our audiology team in 2016.
